SIR,

Subject: Visit to Wardha to attend the meeting of the Cottage Industries Sub-committee of the National Planning Committee and Secunderabad and Madras in connection with Show-rooms.

I have the honour to refer to Government Orders noted in the margin sanctioning my visits to Secunderabad and Madras in connection with Show-rooms and Wardha to attend the meeting of the Sub-Committee of the National Planning Committee and to state that I have received a wire from the Secretary of this Sub-Committee (copy enclosed) stating that the meeting of the Sub-Committee has been fixed for the 20th instant. I,therefore, propose to leave Bangalore on the night of the 17th instant and return on the morning of the 24th instant. I submit for the information of Government a copy of my programme of visits to the above places.

(1) G.O.No.D.1234-35/I & C.73-39-2 dated 27/30th Aug.1939,sanctioning visits to Secunderabad and Madras).

(2) G.O.No.D.1296-97/I & C.27-39-19 dated 4/5th August 1939 sanctioning my visit to Wardha.

In the Government Order sanctioning my visits to Secunderabad and Madras quoted above, it has been directed that only ordinary rates of daily allowance will be allowed to me as Secunderabad and Madras are not costly places. I have also been allowed to take a peon with me.

In this connection I beg to state that it is not possible to meet the daily expenses with the ordinary daily allowance allowed to me. It is necessary that I should stay in a fairly good Hotel . I have also to engage taxi for my visits to Show-room etc.

I therefore request that,as in the case of the previous deputations, I may be allowed the following rates of travelling allowance and daily allowance:

T.A. 1½ times First Class - to and fro.
Daily allowance: 1½ times the ordinary rates admissible.

As I have to visit several places in this itenerary and ~~and~~ shall have to prepare notes and statements to be furnished to the Cottage Industries Sub-Committee according to the questionnaires issued by the Secretary and in order to facilitate my inspections

of Show-rooms and other items of current official work, the services of a Stenotypist Clerk will be absolutely necessary. I,therefore, request that, as in the case of former deputations outside the State, I may be allowed to take a Stenotypist Clerk with me. The following rates of T.A. and D.A. may kindly be sanctioned to him:

(2)

Railway Fare: 1½ times Third Class admissible to him.

Special Daily allowance of Rs 2/-.

(3) I have been permitted to take a peon with me to Secunderabad and Madras. I request that I may be permitted to take him to Wardha also. He may be allowed, as usual, the following rates of T.A. and D.A.

Railway Fare : Single Third class.
Special daily allowance of Re.1/- including the days on journey.

(4) An advance of Rs 500/- may kindly be sanctioned to meet the expenses subject to adjustment out of my T.A. Bill and that of the Stenotypist Clerk and peon.

As I propose to leave here on the night of the 17th instant, I request you to be so good as to obtain early orders of Government in the matter.

I shall be obliged if you will kindly authorise the Comptroller to admit the T.A.Bill for advance T.A. of Rs 500/- which will be presented to him by about the 16th instant.

I have the honour to be,
Sir,
Your most obedient servant,
